§ 114.07 FENCING AND SCREENING REQUIREMENTS.

All new and pre-existing facilities, land parcels, or activities regulated in accordance with this chapter shall be operated subject to the following fencing and screening conditions:

(A) New land parcels created, activities commenced or facilities established after the effective date of this chapter shall comply with the chapter by registering, obtaining a permit, meeting the requirements of § 114.04 (A) and meeting the following fencing and screening requirements of this section:

(1) The facility, parcel, or activity shall be entirely surrounded by:

(a) an opaque fence at least six feet in height; or

(b) by either a woven or welded wire (14 gauge minimum) fence at least six feet in height; or

(c) chain link fence a minimum of six feet in height.

With respect to (b) and (c) above, there shall be vegetation that is at least three feet high and no more than six feet apart when planted. The vegetation shall be planted at the time the facility begins operation, or at the next appropriate planting time. The fence and vegetation shall surround the minimum area necessary for the facility to not be visible from a point at the same elevation as the facility. The vegetation shall be planted on the outbound side of the fence, contiguous to, and not more than eight feet from the fence. The vegetation shall be maintained as a continuous, unbroken hedgerow for the period the property is used as a regulated facility. Each owner, operator, or maintainer of a facility shall utilize good horticultural techniques such as pruning, mulching and proper fertilization, so that the vegetation will have maximum density and foliage. Dead or diseased vegetation shall be replaced at the next appropriate planting time.

(2) All operations, equipment, junk and/or junk motor vehicles shall be kept within the confines of the fence or enclosed building at all times.

(B) Pre-existing activities regulated and operating with a proper business license or valid tax number from the North Carolina Department of Revenue on the effective date of this chapter (November 1, 1997) shall comply with this chapter by obtaining a permit as provided in § 114.09 and meeting the requirements for pre-existing service stations, garages, used car lots, wrecker services, junkyard, or motor vehicle storage areas, as set forth in § 114.04, General Standards, subsections B(1) or B(2), or meeting one of the following conditions:

(1) Remove all junk, vehicles or equipment that may be located within 15 feet of a public or private road surface to an area further than 15 feet from the road surface; and install a fence with an all-season vegetation screening between junk materials and property lines; or

(2) Screen and fence the junkyard in accordance with the screening and fencing provisions of § 114.07 (B) for new junkyards; provided, however, if topography renders fencing and screening useless and ineffective, the Enforcement Officer may waive all or part of the fencing and screening requirements as provided in § 114.04 (B)-(3) of this chapter; or

(3) Place in an enclosed building all items regulated by this chapter.
(Ord. passed 10-06-97; Am. Ord. passed 05-01-00)

§ 114.08 MAINTENANCE.

All junkyards, service stations, garages, used car lots, wrecker services, or motor vehicle storage areas shall be maintained to protect the public from health nuisances and safety hazards. The Enforcement Officer shall inspect each facility once each year to determine that the chapter provisions are being followed. The Enforcement Officer may call upon the health department for advice and consultation as needed regarding vector or rodent problems. Should vectors be identified, the owner/operator/maintainer shall be notified of a violation in writing. Within 30 days of the receipt of the letter, the owner/operator/maintainer shall submit satisfactory evidence to the health department that vectors have been eliminated. Failure to comply with this section may result in revocation of the permit as well as other penalties and remedies for violation as provided for in § 114.13.

(Ord. passed 10-06-97; Am. Ord. passed 05-01-00)

§ 114.09 REGISTRATION AND PERMITTING OF PRE-EXISTING JUNKYARDS, SERVICE STATIONS, GARAGES, USED CAR LOTS, WRECKER SERVICES, AND MOTOR VEHICLE STORAGE AREAS.

All owners, operators or maintainers of service stations, garages, used car lots, wrecker services, and motor vehicle storage areas shall register same with the Enforcement Officer within 30 days from May 1, 2000. All existing junkyards, service stations, garages, used car lots, wrecker services, and motor vehicle storage areas that have not been registered within the stated time shall be in violation of this chapter. § 114.11 PERMIT REQUIRED.

No person, firm or business entity shall establish, operate or maintain a junkyard, service station, garage, used car lot, wrecker service, or motor vehicle storage area at any single location without obtaining a permit for that location. The plan shall indicate setbacks, location of road rights-of-way, all proposed or existing structures, driveways, entrances, fencing, screening, types of fencing, types of screening, dimensions, gross acreage, owner(s) names(s), address(es), preparer of plan name(s) and address(es). Plans may be drawn to scale or freehand with distances marked, on paper large enough to show details. Three (3) copies shall be submitted.

No expansion, whether pre-existing or newly permitted, may be undertaken until a permit as a new facility is first obtained in accordance with this Section. (Ord. passed 10-06-97; Am. Ord. passed 05-01-00)

§ 114.12 ENFORCEMENT PROVISIONS.

This chapter shall be enforced by the Enforcement Officer. The Officer may call upon other agencies, departments, or offices as necessary to assist in the enforcement of this chapter.

In addition, whenever the Officer receives a written complaint alleging a violation of this chapter, the Officer shall investigate the complaint, take whatever action is warranted, and inform the complainant in writing what actions have been or will be taken. The complainant shall provide their name, address, and telephone number upon making a written complaint.

The owner, tenant or occupant of any building or land or part thereof and agent or other person who participates in, assists, directs, creates, or maintains any junkyard, service station, garage, used car lot, wrecker service, junkyard, or motor vehicle storage area that is contrary to the requirements of this chapter, shall be held responsible for the violation of this chapter and shall suffer the penalties and be subject to the remedies herein provided.

The following procedure shall apply upon discovery of a violation:

(1) If the Officer finds that any provision of this chapter is being violated, he shall send a written notice to the person responsible for such violation, indicating the nature of the violation, ordering the action necessary to correct it, and advising the violator of the number of days within which the violation shall be corrected. The violator shall be informed of his right to appeal to the Board of Commissioners.

(2) Notwithstanding the foregoing, in cases when delay would seriously threaten the effective enforcement of this chapter or pose a danger to the public health, safety or welfare, the Enforcement Officer may seek enforcement without prior written notice by invoking the penalties authorized in this section.
(Ord. passed 10-06-97; Am. Ord. passed 05-01-00)

§ 114.13 PENALTIES AND REMEDIES FOR VIOLATIONS.

Violations of the provisions of this chapter or failure to comply with any of its requirements, including violations of any conditions and safeguards established, shall constitute a misdemeanor, punishable by a fine of up to \$50.00 or a maximum 30 days imprisonment as provided in G.S. § 14-4.

Any act constituting a violation of the provisions of this chapter or a failure to comply with any of its requirements shall subject the offender to a civil penalty of \$25.00 per violation. Each day shall constitute a separate violation. If the offender fails to pay this penalty within 10 days after being served with a notice of violation, the penalty may be recovered by the county in a civil action in the nature of a debt.

This chapter may also be enforced by appropriate equitable action. Such remedy may include court order of abatement as part of a judgment in the cause. The abatement order may include actions required to make the facility, land parcel or activity comply with the provisions of this chapter at the owner's expense.

Any one, all, or any combination of the foregoing penalties and remedies may be used to enforce this chapter. In addition to the foregoing enforcement provisions, this chapter may be enforced by any remedy provided in G.S. § 153A-123, including, but not limited to, all appropriate equitable remedies provided in G.S. § 153A-123(d) and particularly the remedy of injunction and order of abatement as allowed in G.S. §153A-123(e).

Any building permit(s) associated with property that has a permit may be revoked by the permit-issuing authority (in accordance with the provisions of this section) if the permit holder fails to develop or maintain the property in accordance with the plans submitted, the requirements of this chapter, or any additional requirements lawfully imposed.

Before such other permit(s) may be revoked, the permit holder shall be given 10 days written notice of intent to revoke a permit. The notice shall inform the holder of the reasons for

the revocation and of his right to obtain an informal hearing on the allegations before the County Manager. If any permit is revoked, the Enforcement Officer shall provide to the permittee a written statement of the decision and the reasons why the action has been taken.

(Ord. passed 10-06-97; Am. Ord. passed 05-01-00)

§ 114.14 APPEALS AND VARIANCES.

(A) Unless otherwise provided, appeals from any action taken by the Enforcement Officer shall be filed with the Board of Commissioners within 10 days of receipt of notice of such action. The Board of Commissioners may authorize relief from these provisions when, in its opinion, undue hardship may result from strict compliance.

(B) The Board of Commissioners may authorize upon appeal in specific cases such variance from the terms of this chapter as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of this chapter will result in practical difficulty or unnecessary hardship. Such variance may be granted in individual cases upon a finding by the Board of Commissioners that the following conditions exist:

(1) There are extraordinary and exceptional conditions pertaining to the particular place or property in question because of its size, shape or topography, that are not applicable to similar facilities governed by this chapter;

(2) Granting the variance requested will not confer upon the applicant any special privileges that are denied to operators of similar facilities governed by this chapter;

(3) A literal interpretation of the provisions of this chapter would deprive the applicant of rights commonly enjoyed by other operators of similar facilities governed by this chapter;

(4) The requested variance will be in harmony with the purpose and intent of this chapter and will not be unduly injurious to the neighborhood or to the general welfare; and

(5) The variance requested is the minimum variance that will make possible a reasonable legal use of the land in question.

A copy of the decision by the Board of Commissioners shall be prepared and furnished to the applicant within 10 days of its rendition. In granting any variance, the Board of Commissioners may prescribe appropriate conditions and safeguards to insure conformity with this chapter. Violation of such condition and safeguards, when made a part of the terms under which the variance is granted, shall be deemed a violation of this chapter.

(C) Decision of the Board of Commissioners may be appealed. A petition for a writ of certiorari may be filed with the County Clerk of Court within 30 days after the later of the following occurrences:

(1) A written copy of the Board of Commissioners decision has been filed in the office of the Enforcement Officer; and

(2) A written copy of the Board of Commissioners decision has been delivered, by personal service or certified mail, return receipt requested, to the applicant or appellant and every other aggrieved party who has filed a written request for such copy prior to or at the hearing of the case.

A copy of the petition for writ of certiorari shall be served upon the county through the office of the County Manager.

(Ord. passed 10-06-97; Am. Ord. passed 05-01-00)

§ 114.15 SEVERABILITY.

Should any section or provision in this ordinance be declared invalid or unconstitutional by any court of competent jurisdiction, such declaration shall not affect the validity of the ordinance as a whole or any part thereof which is not specifically declared to be invalid or unconstitutional.

(Ord. passed 10-06-97; Am. Ord. passed 05-01-00)
